The Parish Council were trying to establish whether it owns the land. Cllr Horncastle enquired with the Charity Commission and he read out the reply he had received. The Parish Council thinks it does own it but there is no documentation to back up this fact and the Parish Councillors believe they are Trustees. The Parish Councillors cannot obtain any help on this matter. Mr David Fox owns a piece of the land and the money raised from the sale was given to the Parish Council to use for a good cause. Cllr Laws posed some questions to Zurich Municipal Insurance and he asked whether 'professional' people needed to be hired for certain tasks. Cllr Laws and Cllr Horncastle had read through the Policy and Zurich needs to be informed what sort of risks are taking place. Reasonable care needs to be taken and Cllr Laws thinks that every set of minutes should have evidence that risks are constantly assessed. Cllr Horncastle is going to create the notice that was discussed during the Annual Parish Meeting earlier. The Forestry Commission report mentions 4 levels of responsibility.

Cllr Horncastle has discovered that there are some actions that parishes can do regarding flooding. Cllr Horncastle had spoken to Mr Tom Hunter and he suggested a meeting with land owners.
